Tommy Porter Storyboard

Task: Try to submit user information to the application with one field not selected, first unsuccessfully and then successfully.

Background: Tommy has recently signed up for a 'Learn to Play Hockey' program at his local ice rink. He has started buying hockey equipment needed to participate in the program. He went to purehockey.com to buy a stick, but he was confused by the options of sticks with a flex of 80, 90, or 100 and stick curves of varying depths. He visits Stick It to determine which hockey stick will work best.

Steps:

1.1 Open the website's home page.

1.2 Click drop down selections for 'Age' and choose 59.

1.4 Click drop down selections for 'Weight' and choose 195.

A screenshot of a web browser window titled 'Title' with the address bar showing 'http://stickit.com'. The page has a header 'Stick It' and a subheading 'Subheading' followed by a paragraph of Lorem ipsum text. The main content area is a form with a subheading 'Subheading' and several input fields: 'Age' (59), 'Height' (5'), 'Weight' (195), 'Position' (Option 1), 'Playing Style' (Option 1), and 'Maximum Price' (Option 1). Each field has a dropdown arrow. A 'Submit' button is at the bottom.

1.5 Click drop down selections for 'position' and choose LW.

A screenshot of the same web browser window, but the 'Position' dropdown menu is now set to 'LW'. All other elements, including the 'Age', 'Height', 'Weight', 'Playing Style', 'Maximum Price' fields and the 'Submit' button, remain unchanged from the previous state.

1.6 Click drop down selections for 'playing style' and choose 'Sniper'.

A screenshot of a web browser window titled 'http://stickit.com'. The page has a header 'Stick It'. Below the header is a subheading 'Subheading' followed by a paragraph of placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor...'. The main content area contains a form with the following fields: 'Age' (59), 'Height' (5'), 'Weight' (195), 'Position' (LW), 'Playing Style' (Sniper), and 'Maximum Price' (Option 1). Each field is a dropdown menu. A 'Submit' button is located at the bottom of the form.

1.7 Click drop down selections for 'maximum price' and choose \$200.

A screenshot of the same web browser window, but the 'Maximum Price' dropdown menu is now set to '\$200'. All other fields remain the same as in the previous screenshot.

Age:	59
Height:	5'
Weight:	195
Position:	LW
Playing Style:	Sniper
Maximum Price:	\$200

Submit

1.8 Click 'submit'.

The screenshot shows a web browser window with the address bar displaying 'http://stickit.com'. The page title is 'Stick It'. Below the title is a subheading 'Subheading' followed by a paragraph of Lorem Ipsum text. The main content area contains a form with the following fields:

- Age: 59
- Height: 5' (dropdown menu) and Option (dropdown menu)
- Weight: 195
- Position: LW
- Playing Style: Sniper
- Maximum Price: \$200

At the bottom of the form is a 'Submit' button. A blue dashed line with arrows indicates a flow from the 'Maximum Price' field to the 'Submit' button.

1.9 An error message appears because one of the fields is missing.

The screenshot shows the same web browser window, but now an error message is displayed in red text above the form: 'Error: All fields are required'. The form fields are the same as in the previous screenshot, but the 'Submit' button is now a simple button without the blue dashed line. The error message indicates that one of the required fields is missing or invalid.

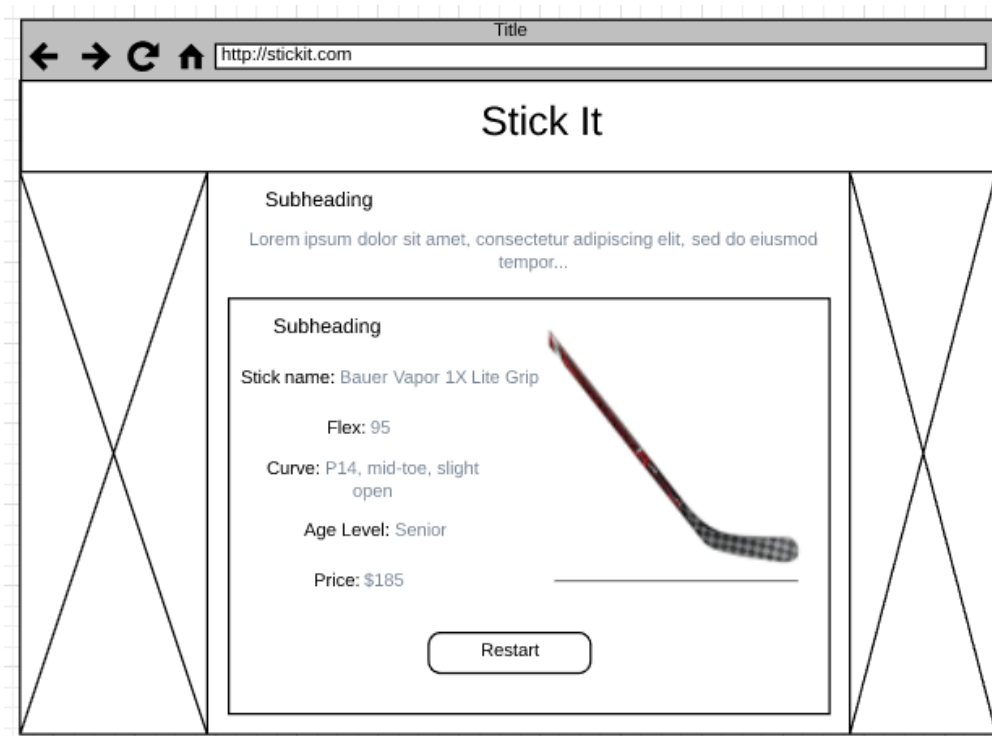

1.10 Tommy sees that he missed the inches portion of the height field. He selects his height in inches.

The screenshot shows a web browser window with the address bar displaying 'http://stickit.com'. The page title is 'Stick It'. Below the title is a subheading and a paragraph of Lorem ipsum text. The main form area contains a subheading, an error message 'Error: All fields are required', and several input fields: Age (59), Height (5' 11"), Weight (195), Position (LW), Playing Style (Sniper), and Maximum Price (\$200). A 'Submit' button is at the bottom of the form.

1.11 Click 'submit' button again.

This screenshot is identical to the one in 1.10, showing the same web form. However, a blue selection box with handles is now drawn around the 'Submit' button, indicating it has been selected for a click action.

1.12 Tommy views the results that are displayed.

Laura Harris Storyboard

Task: Try to submit a stick suggestion to the application with one field not selected, first unsuccessfully and then successfully.

Background: Laura recently spoke with a friend with whom she played hockey in high school. Her friend lent Laura her hockey stick to try out to see what she thinks. Laura really liked how the stick felt when she was playing hockey this week, so she wants other people to be able to discover this great stick.

Jack Thompson Storyboard

Task: Watch a video to learn how to take a slap shot.

Background: Jack has been playing hockey in a pick up league for the past year, and has recently started playing as defenseman for his team. He enjoys playing defense, but he feels he is less effective at his position because he only knows how to take wrist shots, not a proper slap shot. Jack wants to watch a video on how to properly take a slap shot.

Steps:

1.1 Open the website's home page.
